Discovery close to home

Where millennia-old culture, history, and architecture await your exploration

THE ADRIATIC - TWO COASTS, INFINITE WORLDS

From medieval towns to the canals of Venice, the Adriatic is lined with an array of wondrous cultures and customs, lands and languages. We'll take you to special hideaway islands and our most secret favourite spots, including the old town of Bari in Puglia and the hidden gem of Kotor. Steeped in a rich history spanning millennia, the Adriatic has so many stories to tell you'll be eager to come back for more.

WESTERN MEDITERRANEAN - THE GLAMOUR OF HISTORY

Welcome to the Western Mediterranean, where Marseille's small alleyways contrast with the wide turns and straightaways of Monaco's famed Grand Prix circuit. Here you'll discover some of the most beautiful and fashionable places in the world, from Portofino, on Italy's fantastic Ligurian Riviera, to the intimate locales on the Sardinian coast. Sit back, relax and let us transport you to where Europeans have been vacationing for thousands of years, in the sun and in style.

THE IBERIAN PENINSULA - A WELCOMING CHARACTER

The sounds of Flamenco dancers stomping their heels on pinewood blend with the chiming of medieval church bells as you cross the Iberian peninsula from tantalising Barcelona to historical Lisbon. Try a new take on a traditional Spanish paella in Cadiz, or bask in the sun at an outdoor café in Valencia. Wherever you turn your head, you'll find a warm welcome, whether in the sun shining overhead or in the smiles you'll meet on the street.

EASTERN MEDITERRANEAN - THE ROUTE OF THE ANCIENTS

Discover the secrets of the ancients across the Eastern Mediterranean, spanning small ports only our intimate ships can access, like Patmos and Syros in Greece, and unique coastlines like as those found near Kusadasi in Turkey. You'll see things from a new perspective as you climb to the Acropolis of Lindos and sample little known dishes on Santorini, one of the gems of the Greek Isles. History has never been so alluring or so beautiful.

The flavours of S.A.L.T.

Cultural discovery through food

Exploring faraway lands through food and wine offers a sensory journey into the history, traditions and identity of a destination, and Silversea's highly immersive S.A.L.T. (Sea And Land Taste) programme connects you to people and their cultures through cuisine. Conceived by Adam Sachs, former editor of *Saveur* magazine and a three-time James Beard Journalism Award winner, S.A.L.T. is an onboard ecosystem of gastronomic discovery and immersive excursions ashore.

Available aboard *Silver Moon*, *Silver Dawn* and *Silver Nova*, and soon, *Silver Ray*, S.A.L.T. invites you to take a trip to the S.A.L.T. Kitchen and Bar and discover dishes and craft cocktails inspired by your destination. Visit the S.A.L.T. Lab to create local recipes in a hands-on cooking class. And on a S.A.L.T. excursion ashore, you might find yourself spending the day with one of Norway's most famous chefs, discovering the secrets of a working organic farm in Greece or trying your hand at pastry-making in Sicily.

Our Nova class of ships

Introducing a new way to see the world

Innovative, immersive, and among the most environmentally conscious ships ever built, our Nova class ships *Silver Nova* (August 2023) and her sister *Silver Ray* (July 2024) invite you to see the world in a whole new way. With their boldly asymmetrical design, unprecedented use of glass, and wide open deck, these cutting-edge vessels will connect you more closely with each destination where the boundaries between sea and sky, ship and land, melt away with uninterrupted vistas from every venue.

These "ships of light" expand on the signature hallmarks of Silversea: extraordinary space; the greatest variety of suites; the broadest array of bars, lounges and restaurants in ultra-luxury voyages; and an unparalleled range of social venues including Otium spa, exploring the ancient art of comfort and wellness, and S.A.L.T. (Sea And Land Taste), our culinary programme which explores each place through its food.

Our fleet

Discovery in elegance

Every Silversea ship – Ocean-going and Expedition – welcomes you aboard with an ambience of whispered luxury and superlative comfort, inviting you to relax and savour an impeccably personalised experience. Even as we expand with industry-leading vessels, our all-suite ships remain intimate by deliberate design.

Our smallest is the 100-guest *Silver Origin*, the first ultra-luxury ship purpose-built to explore a singular destination – the Galápagos – whilst our sister-ship trio of *Silver Muse*, *Silver Moon* and *Silver Dawn* debuted some of our most innovative enrichment concepts for a heightened guest experience. The boldest is *Silver Endeavour*, the world's most advanced and luxurious expedition ship, and the newest is our eco-friendly *Silver Nova*, soon to be joined by sister ship *Silver Ray*.

Within the last few years, our growing fleet has seen the arrival of ground-breaking new ships or the extraordinary reimagining of existing vessels – ensuring that whichever ship or manner of travel appeals to your fancy, you'll enjoy the sophisticated allure of a cosy boutique hotel, albeit enhanced with inspired dining, enriching experiences, and ever-changing views of our wonderful world.

*No matter the ship,
regardless of destination;
Silversea is your welcoming
home upon the sea.*
